

Audit Senior

Start dates: October 2011 and January 2012

KPMG in the Cayman Islands is one of the first and largest professional services firms to be established in Grand Cayman. We are dedicated to attracting, recruiting and retaining the best talent available and investing in those individuals to develop the Financial Services business leaders of the future.

A career in Audit with us will give you insights into the inner workings of companies and a broad business perspective that can open up countless opportunities for professional and personal growth. Our Audit process does more than assess financial information. It's designed to focus on the key areas of risk so that our clients can focus on managing their core business. We combine a multi-disciplinary approach with deep, practical industry knowledge to help clients meet challenges and respond to business opportunities.

The Role

Applicants must be university graduates and be exam qualified accountants (CA, ACCA, CPA) with proven audit experience. Financial services experience is an advantage but not critical as additional training will be provided.

This position requires a highly motivated individual with strong management and communication skills, an attention for detail, and ability to meet tight deadlines. You will have the opportunity to gain full responsibility for a variety of engagements, whilst being exposed to an international and exceptionally diverse client base - many of the World's Financial Services market leaders being amongst your remit! With a strong emphasis on client relationships and business development, you will gain ownership and accountability for your work – that being the driving force towards your performance based promotional opportunities within the firm.

Why KPMG?

Benefits

We offer a competitive remuneration package commensurate with qualifications and experience, full relocation and work permit package, a comprehensive medical and dental scheme, pension plan (in line with Cayman Islands Labor Law), discounted corporate gym/golf membership options.

Career and clients

This is an excellent opportunity to work within one of the largest financial centers in the world, working with multinational clients specializing in alternative investments, insurance, banking and asset securitization. Your career aspirations will be proactively supported and encouraged through our appraisal process (Dialogue).

Corporate Social Responsibility

A thriving corporate social responsibility program to help make a positive impact in the communities' in which we live, with 3.5 hours per month allocated to staff to volunteer in a charity of your choosing.

Diversity

Work within a very diverse and multi-cultural environment, with over 25 staff nationalities.

Professional development

You will receive induction training upon arrival thereafter learning and development support throughout your career with us.
