

# KPMG's Audit Committee Institute

A Decade of Dialogue

KPMG LLP

What are leading audit committees focused on today?

And what's on the horizon?

What are their expectations of management and auditors?

And how are they strengthening their oversight effectiveness?

### **The Annual Audit Committee Issues Conference**

Exclusive annual forum for audit committee members to discuss challenges shaping their agendas for the year ahead. Panel discussions, keynote speakers, and attendees drive the dialogue at this day-long event. East and west coast sessions – cosponsored by KPMG's Audit Committee Institute, NACD, and Weil, Gotshal & Manges LLP.

### **Audit Committee Roundtable Series – 30 Cities**

Moderated panel discussions focused on current issues affecting audit committee oversight. Top directors, managers, and luminaries in governance dig into timely topics. Real-time surveys and open dialogue generate practical insights and takeaways for strengthening oversight.

### **Audit Committee Fundamentals**

Annual seminar designed to help new and more experienced audit committee members and directors enhance their understanding of the audit committee's role and responsibilities. Speakers, panel discussions, and open dialogue. Cosponsored by ACI and NACD.

### **Audit Committee Peer Exchanges**

Small-group, facilitated discussions among local audit committee chairs. Sharing perspectives and practices with peers on current issues and emerging challenges.

For a decade, audit committee members, boards, and senior executives across the U.S.—and around the world—have turned to KPMG’s Audit Committee Institute (ACI) for insights, accredited director education,\* and peer dialogue.

### **Quarterly Audit Committee Webcasts**

Quarterly updates and insights into issues affecting audit committee oversight—from key accounting and regulatory changes to developments in risk oversight. Hosted by KPMG and NACD, with prominent guest speakers from the business and governance arenas.

### **Audit Committee Insights – A Biweekly Briefing**

A compilation of timely news articles and thought leadership from KPMG/ACI, business media, and leading governance organizations on issues affecting audit committee oversight. Alerts on upcoming conferences, events, and Webcasts, and links to resources for audit committees and boards.

### **Where ACI’s Thought Leadership Comes From...**

In-depth surveys and analyses. Interaction with thousands of directors and senior executives every year. Collaboration with luminaries and leaders in governance (NACD, Directorship, The Conference Board, Corporate Board Member, Practising Law Institute, and others). And insights from KPMG professionals who work with audit committees and companies of every size and industry.

### **ACIs Around the World**

KPMG member firms sponsor ACIs in 32 countries around the world. Each ACI focuses on country-specific issues—all have a common purpose: to enhance financial reporting integrity and oversight.
